Attendance Policy, Class Expectations, and Make-Up Policy

Attendance is **required** and is taken before each seminar begins. Please present your UF ID card or other legal picture identification (driver's license or passport) to staff. **Arrive on time:** you will not receive credit for the day's seminar **after 3:05 p.m. Stay for the entire class:** students who leave early will be reported to the student honor court for cheating. You will receive an unsatisfactory (U) for this course. Furthermore, the honors court will assign additional educational sanctions, including completion of courses from the following: Avoiding Plagiarism Workshop, Ethical Decision-Making Seminar, and Reflection Paper (see the Faculty Student Resolution Form online for more information). Also, see the section called the "University Honesty Policy" below.

Students are expected to behave professionally during the seminar. Students are expected to sit towards the front of the classroom. No talking, reading, laptop/tablet/notebook/smart-phone activity, etc. is allowed. Students should pay attention to the speaker, actively engage in the seminar that day, facilitate and enhance the learning atmosphere, and be courteous at all times. Students who do not behave appropriately will be asked to leave and will not receive attendance credit that day.

Evaluation of Grades

This class offers 15 seminars during class hours in Fall 2019, and students must attend **13** for satisfactory completion. Up to 4 make-up seminars from MSE and other departments are allowed, to replace missed seminars, but they must be materials related. Students **must** obtain approval for the make-up seminar topic from Dr. Manuel **prior** to the make-up seminar. Furthermore, students **must** fill out the make-up form on Canvas, and a present faculty member at that seminar **must** sign the form to verify student's attendance. These should be turned in to Dr. Manuel. Attendance at conferences or workshops, verified through either a receipt or notice from the student's advisor (a quick email is fine), **will also count** as seminar attendance that week, and the same make-up form on Canvas must be sent to the course facilitator; such conference or workshop attendance counts against the 4 make-up classes. Students who know that they cannot attend 13 official seminars/make-up seminars/conferences/workshops in the semester due to other obligations (e.g., TA schedule conflicts or any off-campus internships) must drop the course before drop/add date in the semester.

Grading Policy

Arrive on time: you will not receive credit for the day's seminar **after 3:05 p.m. Stay for the entire class:** students who leave early will be reported to the student honor court for cheating. You will receive an unsatisfactory (U) for this course.

Students with disabilities should follow this procedure as early as possible in the semester.
