The schedule of speakers is subject to adjustments throughout semester.

Note: Adjustments to this regular schedule could be made periodically and announced in advance in class and/or through the class website/email.

Attendance Policy, Class Expectations, and Make-Up Policy

Attendance of seminars is required. Excused absences must be in compliance with university policies in the Graduate Catalog (<http://gradcatalog.ufl.edu/content.php?catoid=10&navoid=2020#attendance> Links to an external site.) and require appropriate documentation. Allowable/available make-up seminars will be detailed throughout the semester.

Students are expected to behave professionally during the seminar. No talking, reading, laptop/tablet/notebook/smart-phone activity, etc. is allowed. Students should pay attention to the speaker, actively engage, facilitate and enhance the learning atmosphere, and be courteous at all times. Students who do not behave appropriately will be asked to leave and will not receive attendance credit that day.

Evaluation of Grades

students must attend 80% of those scheduled (using traditional rounding rules) for satisfactory completion. Satisfactory completion of this course will earn the grade of "A" and unsatisfactory will earn the grade of "E". Up to 1 (one) make-up seminar from MSE is allowed and up to 1 (one) other makeup seminar must be from other departments, to replace missed seminars, but they must be science and engineering related. Students must obtain approval (through email, canvas communication or in-person) for the make-up seminar topic from Dr. Enqvist prior to the make-up seminar.

The course is pending conversion to S/U: if converted/approved for existing semester the same grading above applies but with “A” replaced by “S”, and “E” replaced by “U”.
