- View [ONE.UF](#) and clear all holds before submitting this form.
- PhD Students, complete all required [IDP assignments](#) for the current term via [Canvas](#).
- Review the [Schedule of Courses](#) and the [EDGE Course Listings](#) to see what courses are offered.
- All fields are required in order to be processed by the Academic Services Office.
- **Nuclear MS Non-Thesis students:** send the form to the Graduate Coordinator in your major for approval: ne-gradcoordinator@mse.ufl.edu
 - Email approved registration form to advisingforms@mse.ufl.edu
- **Materials Science MS Non-thesis students:** send form directly to advisingforms@mse.ufl.edu
- **PhD and MS Thesis students:** send the form to your Faculty Advisor for approval.
- If any information appears to be incorrect, ASO will contact the student and/or faculty advisor for verification. A new form may need to be submitted in such cases.

1) COURSE COMPLETION: MS Students and Pre-Candidacy PhD students **must** complete this section.

Review your program's [Graduate Handbook](#) for CORE and ELECTIVE requirements. In the tables below, list the CORE and ELECTIVE (non-research) courses you've successfully completed, as well as those currently in progress. Indicate the grade earned or note "In Progress" in the Grade column.

- PhD students must earn a B or better in core courses.
- Nuclear PhD students must maintain a cumulative 3.3 GPA in their core courses.
- For elective courses, a C or better is considered passing.

CORE Courses B or better for PhD / C or better for MS is required			ELECTIVE (non-research) Courses - C or better is required
