

Scanning Electron Microscopy and Microanalysis

EMA 4935 Special Topics - Section #CAMP - Class #18963

Class Periods: 100% online MWF -5:00 -6:15 PM

Location: 100% Online

Academic Term: Summer 2025

Instructor:

Name: Nancy Ruzycki

Email Address: nruzycki@ufl.edu

Office Phone Number – 352 846 2991

Office Hours: Virtual by appointment after 3:30 PM

Teaching Assistant/Peer Mentor/Supervised Teaching Student:

Please contact through the Canvas website

- N/A

Course Description

EMA 4935 Special topics - Scanning Electron Microscopy and Microanalysis (3 Credits)

Course Pre-Requisites / Co-Requisites

N/A

Course Objectives

Students will learn foundation knowledge of how SEMs operate, technical constraints, sample preparation and spectroscopy methods using electron and ion beams.

- Electron microscopy basics
- Vacuum systems and electron sources used in SEM
- Electromagnetic lenses
- Electron-sample interactions
- Backscatter electron yield
- Secondary electron yield
- Electron detectors and operation
- Compositional, topographical, and channeling contrast mechanisms
- The SEM image formation process
- High-resolution SEM imaging
- Sample preparation, contamination and environmental (low-vacuum) SEM
- Electron backscattered diffraction analysis
- Energy dispersive spectroscopy
- Wavelength dispersive spectroscopy
- Auger electron spectroscopy
- Cathodoluminescence
- Focused Ion beams

Materials and Supply Fees

None

Required Textbooks and Software

“Scanning electron microscopy and X-ray microanalysis” by Goldstein et al.; third edition (ISBN: 978-1-4613-4969-3). Instructor created materials.

Recommended Materials

Scanning Electron Microscopy, EMA 6507 Page 1
Nancy Ruzycki, Summer 2025

v07/31/24

N/A

Required Computer

Access to python Jupyter notebooks

Access to [Molecular Expressions Microscopy Primer: Electron Microscopy Interactive Tutorials - Virtual Scanning Electron Microscopy](#)
[Myscope -explore.org](#)

Course Schedule

Week	Topic	Deliverable
1 May 12	Electron Microscopy basics	Homework 1
2 May 19	Vacuum systems	
3 May 26	Electron sample interactions	Homework 2
4 June 2	Secondary Electron yield	
5 June 9	Electron Detectors and operation SEM Image Formation	Exam 1
6 June 16	Compositional, topographical ...	Homework 3
7 June 23	Holiday week	
8 June 30	Sample prep	Project 1- case study
9 July 7	High Resolution sample imaging	Exam 2
10 July 14	Energy Dispersive spectroscopy	
11 July 21	Wavelength dispersive spectroscopy	Homework 4
12 July 28	Auger electron spectroscopy Cathodoluminescence	
13 Aug 4	Focused ion beam	Exam 3

Important Dates

June 11 **Exam 1 Take home/online**

June 30 **Project 1 Due**

July 9 **Exam 2 Take home/online**

Aug 4 **Exam 3 Take home/online**

Attendance Policy, Class Expectations, and Make-Up Policy

[This class is 100% online](#)

[This statement is required:](#)

Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies. Click here to read the university attendance policies:

<https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/>

Evaluation of Grades

Assignment	Total Points	Percentage of Final Grade
Homework Sets (3)	25 each	20%
Exams (3)	100	60%
Project 1	100	20%
		100%

Grading Policy

The following is given as an example only.

Percent	Grade	Grade Points
93.4 - 100	A	4.00
90.0 - 93.3	A-	3.67
86.7 - 89.9	B+	3.33
83.4 - 86.6	B	3.00
80.0 - 83.3	B-	2.67
76.7 - 79.9	C+	2.33
73.4 - 76.6	C	2.00
70.0 - 73.3	C-	1.67
66.7 - 69.9	D+	1.33
63.4 - 66.6	D	1.00
60.0 - 63.3	D-	0.67
0 - 59.9	E	0.00

More information on UF grading policy may be found at:

<https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx>

Students Requiring Accommodations

Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the disability Resource Center by visiting <https://disability.ufl.edu/students/get-started/>. It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.

Course Evaluation

Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at <https://gatorevals.aa.ufl.edu/students/>. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via <https://ufl.bluera.com/ufl/>. Summaries of course evaluation results are available to students at <https://gatorevals.aa.ufl.edu/public-results/>.

In-Class Recording

Students are allowed to record video or audio of class lectures. However, the purposes for which these recordings may be used are strictly controlled. The only allowable purposes are (1) for personal educational use, (2) in connection with a complaint to the university, or (3) as evidence in, or in preparation for, a criminal or civil proceeding. All other purposes are prohibited. Specifically, students may not publish recorded lectures without the written consent of the instructor.

A “class lecture” is an educational presentation intended to inform or teach enrolled students about a particular subject, including any instructor-led discussions that form part of the presentation, and delivered by any instructor hired or appointed by the University, or by a guest instructor, as part of a University of Florida course. A class lecture does not include lab sessions, student presentations, clinical presentations such as patient history, academic exercises involving solely student participation, assessments (quizzes, tests, exams), field trips, private conversations between students in the class or between a student and the faculty or lecturer during a class session.

Publication without permission of the instructor is prohibited. To “publish” means to share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium, to another person (or persons), including but not limited to another student within the same class section. Additionally, a recording, or transcript

of a recording, is considered published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited to social media, book, magazine, newspaper, leaflet, or third party note/tutoring services. A student who publishes a recording without written consent may be subject to a civil cause of action instituted by a person injured by the publication and/or discipline under UF Regulation 4.040 Student Honor Code and Student Conduct Code.

University Honesty Policy

UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code (<https://sccr.dso.ufl.edu/process/student-conduct-code/>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

The use of generative AI to produce project papers in entirety is not allowed. Generative AI may be used to brainstorm ideas, produce tables or graphics and to correct verbiage only. You must cite use of generative platforms.

Commitment to a Safe and Inclusive Learning Environment

The Herbert Wertheim College of Engineering values varied perspectives and lived experiences within our community and is committed to supporting the University’s core values, including the elimination of discrimination. It is expected that every person in this class will treat one another with dignity and respect regardless of race, creed, color, religion, age, disability, sex, sexual orientation, gender identity and expression, marital status, national origin, political opinions or affiliations, genetic information, and veteran status.

If you feel like your performance in class is being impacted by discrimination or harassment of any kind, please contact your instructor or any of the following:

- Your academic advisor or Graduate Coordinator
- HWCoe Human Resources, 352-392-0904, student-support-hr@eng.ufl.edu
- Pam Dickrell, Associate Dean of Student Affairs, 352-392-2177, pld@ufl.edu
- Toshikazu Nishida, Associate Dean of Academic Affairs, 352-392-0943, nishida@eng.ufl.edu

Software Use

All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the University of Florida community, pledge to uphold ourselves and our peers to the highest standards of honesty and integrity.

Student Privacy

There are federal laws protecting your privacy with regards to grades earned in courses and on individual assignments. For more information, please see: <https://registrar.ufl.edu/ferpa.html>

Campus Resources:

Health and Wellness

U Matter, We Care:

Your well-being is important to the University of Florida. The U Matter, We Care initiative is committed to creating a culture of care on our campus by encouraging members of our community to look out for one another and to reach out for help if a member of our community is in need. If you or a friend is in distress, please contact umatter@ufl.edu so that the U Matter, We Care Team can reach out to the student in distress. A nighttime and weekend crisis counselor is available by phone at 352-392-1575. The U Matter, We Care Team can help connect students to the many other helping resources available including, but not limited to, Victim Advocates, Housing staff, and the Counseling and Wellness Center. Please remember that asking for help is a sign of strength. In case of emergency, call 9-1-1.

Counseling and Wellness Center: <https://counseling.ufl.edu>, and 392-1575; and the University Police Department: 392-1111 or 9-1-1 for emergencies.

Sexual Discrimination, Harassment, Assault, or Violence

If you or a friend has been subjected to sexual discrimination, sexual harassment, sexual assault, or violence contact the **Office of Title IX Compliance**, located at Yon Hall Room 427, 1908 Stadium Road, (352) 273-1094, title-ix@ufl.edu

Sexual Assault Recovery Services (SARS)

Student Health Care Center, 392-1161.

University Police Department at 392-1111 (or 9-1-1 for emergencies), or <http://www.police.ufl.edu/>.

Academic Resources

E-learning technical support, 352-392-4357 (select option 2) or e-mail to Learning-support@ufl.edu.
<https://elearning.ufl.edu/>.

Career Connections Center, Reitz Union, 392-1601. Career assistance and counseling; <https://career.ufl.edu>.

Library Support, <http://cms.uflib.ufl.edu/ask>. Various ways to receive assistance with respect to using the libraries or finding resources.

Teaching Center, Broward Hall, 392-2010 or 392-6420. General study skills and tutoring.
<https://teachingcenter.ufl.edu/>.

Writing Studio, 302 Tigert Hall, 846-1138. Help brainstorming, formatting, and writing papers.
